

*Family Fun, Shows and Learning!*

# DUPAGE AREA STEM EXPO

**Saturday, February 25, 2017**

10:30 a.m.–3:30 p.m.

*Complimentary admission and parking*

**Illinois Institute of Technology  
Daniel F. and Ada L. Rice Campus**  
201 East Loop Road, Wheaton, IL

Join us at the DuPage Area STEM Expo for family fun that includes an interactive exploration of science, technology, engineering, and math. View more than 50 displays, presentations, shows, activities, and projects to take home for school-age children, grades K-6.

## What Can You Do at the Expo?

- Explore the explosive power of nitrogen and cryogenics at the infamous Mr. Freeze show
- Visit this hands-on shake table and construct an “earthquake resistant” LEGO® skyscraper
- NEW! Construct a Nakamura Lock Paper Airplane with Engineering for Kids
- Experience a hands-on modern fire detection and alarm simulation
- Join DuPage Children’s Museum, Zoom into Engineering, LEGO® Robotics, and more for hands-on STEM exploration activities
- And more than 50 other activities

The DuPage Area STEM Expo, in conjunction with National Engineers Week, is a specialized event designed to promote the awareness of professional and educational opportunities provided within engineering and STEM (science, technology, engineering, and math) fields.
